The Show

Welcome to the Foot and Ankle Show – the ultimate conference for trade exhibitors. We believe that you, the trade, are crucial to the profession. Your conference experience and the value you get from it is of paramount importance.

So, what makes the Foot and Ankle Show different? For starters, we provide **consistent footfall** through the day, ensuring that you have ample time to connect with delegates and have better conversations. Our delegates are high-quality business owners and private practitioners, meaning that you'll be **engaging with the right audience**.

Our attendees are free to roam out of talks to chat with the trade, ensuring that you can connect with them when they are most receptive. We offer a **friendly and welcoming environment**, with plenty of **opportunities for networking**, so you can build relationships that last.

The best part? You are actually part of the show, not in a separate room like many other conferences, ensuring that you receive the **maximum exposure and value** from your investment.

Be seen, be heard, make your mark within the industry!

What Our Exhibitors Say

Don't just take our word for it - this is what our Exhibitors have to say about their experiences at The Foot & Ankle Show.

The show was a huge success for us. The conference itself was a breath of fresh air with the lectures taking place in the trade hall. This kept us busy throughout and brought us plenty of customers. We have already booked for next year with a bigger stand, and look forward to being back in Liverpool.

DLT Podiatry

We loved how welcoming and well organised the event was!

Jennifer Bailey - Calla

We had a fantastic time at the show and had plenty of interest so are really glad we attended. We're already looking forward to coming again next year!

Alex Price - Hollington Medical

Congratulations should be given to all the on-site team in Liverpool. As always they were well organised, happy and smiling. They gave us plenty of time to offload and pack up stands with no stress or time pressures. I love exhibiting at Liverpool!

Espère Healthcare Ltd

For anyone with an interest in Podiatry or lower limb care in general. I would highly recommend attending the Foot & Ankle Show! The show was innovative and had a great buzz about it. The education sessions were varied, informative and interesting. As an exhibitor it was a brilliantly run event and the delegates got plenty of time to spend interacting with the trade stands.
